- 2.Type Shaw Air Force Base.
- 3.Click to become a friend.

How to Sign in

Open the internet browser and in the URL heading type www.twitter.com

If you are already a member of twitter click the sign in button at the top righthand corner of the screen.

A drop down screen will appear asking for your email address and

If you are not a member of twitter click the sign up now button. That will bring you to a page saying “Join the conversation” at the top.

- 1.Type in your full name in box one.
- 2.Type in your preferred user name in box two.
- 3.Create a password you can remember and type it in box three.
- 4.In the fourth box type in your email address. Underneath is a check box stating “Let others find me by my email address”. This means people can search for you on twitter just by using or knowing your email address. So it is up to you whether or not you want to keep it private.

Before clicking “Create my account”, the terms and agreement of twitter are listed. By clicking on "Create my account", you are agreeing to the Terms of Service and the Privacy Policy.

Your first choice for usernames may not be available; after clicking create

my account twitter will let you know. You have two options create a new

username or use one twitter recommends that has not been
